**SUBJECT: GRADES 10, 11 & 12 PRESCRIBED LITERATURE 2009 – 2012  
FOR AFRICAN LANGUAGES**

Attached please find the lists of literature texts for the Junior Secondary Certificate syllabuses as well as the localised Namibia Senior Secondary Certificate syllabuses. These lists should be read in conjunction with the relevant syllabuses, which contain detailed information on the way in which Literature should be assessed as well as the genres (literature) to be studied. Kindly take note of the following procedures in terms of implementation and examination cycles:

**Grade 10:**

For full-time Grade 10 learners, the new textbook cycle will be implemented and examined starting 2009-2012. However, part-time learners will continue to use the books (genres) currently prescribed until the end of 2009. From 2010, all part-time centres registered with the Ministry should change to the use of newly prescribed texts, i.e. the same texts prescribed for the textbook cycle 2009-2012, similar to those of full-time candidates.

**Grade 12:**

For full-time Grade 11-12 learners, the new textbook cycle will be implemented starting 2009 in Grade 11, and will be examined in Grade 12 from 2010-2012. Part-time candidates and all centres registered with the Ministry will use the same books (genres) as prescribed for full-time learners in the textbook cycle 2009-2012.

The languages are listed in alphabetical order and printed on separate sheets for ease of reference and filing.
